MEALS

Who’s cooking at St. Francis House…?

YOU ARE!!!

St. Francis House is looking for groups to help us provide evening meals for our residents. It’s a great way to help us serve our clients and get to know some members of the Alachua County homeless community.

If you’re interested, please contact:
Volunteer Coordinator
(352) 378-9079 x 317
sfhcoor@stfrancis.cfcoxmail.com.

Food can be brought in ready to serve or prepared by your group in our kitchen.
Breakfast is served at 7:00 am for residents of St. Francis House (between 25-35 people) Lunch is served from 9:00-12:00 and includes the residents of St. Francis House and the homeless from the community. If you are cooking for lunch, with food from our pantry (with assistance from staff), prepare to serve anywhere from 100-150 meals.

If you’d like to provide and serve dinner, please plan on bringing food and drinks for 25-40 people. If you would like to cook in our kitchen, if possible, we would like your group to bring in the food that you will be cooking, we do have a pantry stocked with canned goods that you are welcome to use, but we don’t often have meat and other proteins available at St. Francis. Please know, you must clean the kitchen after dinner is served, before your group leaves. Dinner is served at 6:00pm; if you are bringing in a meal already prepared we ask that you be at St. Francis House by 5:30. We try to serve an item from each of the 4 food groups, to provide balanced meals.

We greatly appreciate our volunteers and realize we could not serve the homeless community without your help.
